

Young People & Students.

From
1 EUR

We provide services for groups and organisers, combining enjoyable activities with fun, adventure and learning. We design tours and visits especially for schools, secondary schools and student groups. Experiences are coordinated with teachers or group leaders so that everyone can enjoy the destinations and activities. These may include company visits, factory tours, creative and hands-on workshops, and cultural or activity-based destinations tailored to the group.

Options range from day trips and educational visits to science museums and educational farms, to water sports days and historical routes. For weekends or multi-day stays, we offer theme parks, adventure activities, engaging cultural visits and accommodation in youth centres, campsites and hotels. We adapt the budget and coordinate the experiences.

PESTAÑA1

Salidas de un día. De fin se semana o varios días. Visitas culturales dinámicas y alojamiento en complejos juveniles, campamentos y hoteles.
