THE BASQUE COUNTRY THROUGH ALL FIVE SENSES
The Basque Country is a land of contrasts, where tradition and modernity coexist in perfect harmony. Its landscapes bring together dramatic cliffs, long beaches and green mountains that look as though they belong in a painting. Vibrant cities such as Bilbao, with its iconic Guggenheim Museum and Bilbao Fine Arts Museum, and San Sebastián, with its elegant La Concha Bay, sit alongside charming fishing and rural villages where Basque culture is very much alive.
Its world-renowned cuisine ranges from sophisticated Michelin-starred restaurants to lively pintxos bars, where every bite is an explosion of flavour. Proud of its language, history and traditions, the Basque Country is a destination that wins visitors over with its authenticity and unique character. Are you ready to discover it?
